

What to Expect...

As we begin this new program for parents and their children, we'd like to share what you can expect from us during our time together. We promise to:

- Provide fun, educational and engaging activities for children of all ages
- Provide networking and Christian socialization for parents and children
- Provide a safe, clean and inviting environment for all
- Share Jesus with your family and help you grow closer to Him

What we ask of our parents in return is to:

- Closely and continually supervise your child. He or she's safety and well-being is your responsibility.
- Guide your child through the various activities.
- Model proper social behaviors such as not talking during our lessons and story times.
- Encourage your child to make friends and grow in their learning.

Shepherd of the Hills Lutheran Church is a new, family-oriented church, located in the Centennial Hills area. We are excited to be able to offer these family-focused activities to you. Our goal is to bring Jesus to you and your family, wherever you are in your walk of faith. Please know that we would love to have you join us for worship and our Family Bible Hour on Sunday mornings beginning at 9 a.m. If you would like more information, or have questions, please contact Pastor Aaron Strong. We would enjoy the opportunity to talk with you.

What is Toddler Time?

Toddler Time is a specially designed parent-child class that meets weekly for one hour of Christian fun and learning.

Each class focuses on learning more about our Savior, Jesus and about His wonderful world. We incorporate music, movement, literature, art and exploration into each of our lessons. We enjoy making new friends and growing together.

Parents are encouraged to guide their child through the various activities, as they are their child's first teacher.

Parents enjoy networking with other parents and receiving needed support and encouragement as they raise their child in today's society.
